

BETTER HALVES

WHO WE ARE

We are a ESADE MBA community made by students and their respective partners, including wives, husbands, girlfriends, boyfriends, and fiancés/fiancées of all generations.

WHAT DO WE DO

We believe that the successfulness of ESADE's MBA students is linked to the positive integration of their partners and families in Barcelona and we as a club are the link between you the partners of students and ESADE student community.

HOW DO WE DO THAT

We connect through a variety of events, ranging from social nights out to family-friendly activities, learn languages together at cafes around the city, share lunches and dinners, go on walking tours, check out cultural events, and host play dates for kids – the sky is the limit in terms of our events, and we love trying new things together.

We also share our experiences and recommendations for practical matters (healthcare practitioners and clinics, aesthetics services, etc.) and fun activities (fitness classes, restaurants, cultural events, etc.).

WHY SHOULD YOU JOIN US

Join the ESADE Better Halves Club to make new friends and feel connected with a community of people sharing the Barcelona experience together..
